**Search** – This will allow the user to search for a specific permit from the permit list. Users can search permits by Permit Number, Permit Type Name, Purchase Date, Active Date, Expiration Date, and Expire Code Name.

**Pending Permit** – Selecting this option allows the user to view their pending permit requests.

**Request Permit** - This request option functions the same as it does on the Parking home page.

**Filter** – This allows the user to filter permits by different fields.
