Add/Edit Violations – Configuration for new violations requires information entered for Code, Amount, and Description. Sort Order # is optional. Active must be marked for the violation to be selectable. The admin can edit any existing violation needed for as well.

The box for Download to Handheld must be checked for if an agency wants the violation(s) selectable for handhelds in the field.

The form is titled 'EDIT VIOLATION' and contains the following fields: CODE * (01), AMOUNT * (\$ 15), DESCRIPTION * (PARKED IN RESTRICTED), ORDER # (0), and a checked checkbox for 'ACTIVE'. There is also a checked checkbox for 'DOWNLOAD TO HANDHELD'. An 'UPDATE' button is at the bottom right.
